Written notice of the time and place set for hearing shall be served on the Appellant by first class mail to the mailing address given in the notice of appeal. A hearing may not be conducted less than 20 days after notice is given to the applicant. The Board of Appeals may adopt rules governing the conduct of its hearings. Those rules shall include, at least, the following:

1. The fire code official shall submit evidence at the hearing substantiating his/her decision. Such evidence may include testimony, fire district, police or other reports of the incident, witness statements, and other documents. Not less than 10 days prior to the scheduled hearing, the fire code official must notify the Appellant of the name, address and phone number of any witness to the violation and furnish Appellant with a copy of any document the fire code official intends to submit at the hearing. Not less than seven (7) days prior to the hearing, the Appellant may request the fire code official to produce at the hearing any witness he/she intends to rely upon to substantiate the violation. The written request must name the witness or witnesses who are requested to attend the hearing. The fire code official may not rely on the testimony of any witness (including such testimony contained in reports or written witness statements) whose appearance at the hearing is required by this subsection, if that witness fails to appear.

Not less than 10 days prior to the hearing, the Appellant must notify the fire code official in writing of the name, address and phone number of any witness the Appellant intends to call as a witness at the hearing, provide a brief description of the proposed testimony, and furnish the fire code official with a copy of any document the Appellant intends to offer as evidence at the hearing. The Appellant may not call any witness to testify at the hearing who was not identified as required by this subsection or offer any document as evidence at the hearing that was not provided to the fire code official as required by this subsection.

3. At the hearing, the Appellant may be represented by an attorney, at Appellant's expense. Both the fire code official and the Appellant shall have the right to examine and cross-examine any witness produced at the hearing. 4. The entire hearing shall be electronically or steno graphically recorded. The Board of Appeals shall base its decision exclusively on the evidence presented at the hearing and shall issue a written decision, which includes a statement of the relevant facts which it finds to be true and explains how the facts support its decision. The record of the hearing shall be preserved for not less than six (6) months after the decision is served on the Appellant.
